Language Instructions Inside

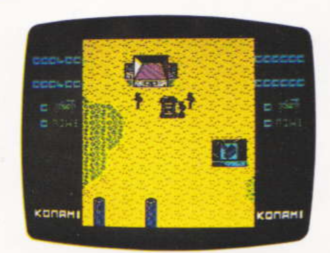

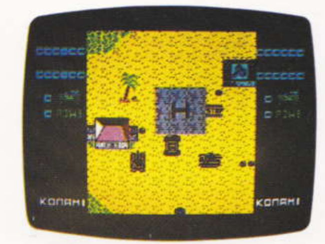

Get into this and you'll never get out ... unless you're lucky. Brave, Clever, Skilful, Cunning, Sharp-witted, Well Trained, and Reckless.

The plan - codename JACKAL - is to drop a squad of 4 crack troops behind enemy lines. They must rescue a group of prisoners and whilst under constant attack, deliver them to helipads. Their final objective is to knockout enemy headquarters.

Simple eh?

Well, off you go then. What's keeping you?

Manufactured in the U.K./Fabriqué au U.K.
